

The poster features a vibrant, abstract background with a color gradient from blue and green at the top to orange and red at the bottom. A white circuit-like pattern flows across the center, connecting various medical and technological icons: a clipboard, a heart, a pill bottle, a smartphone with a heart icon, a microchip labeled 'AI', a syringe, and a cloud with a plus sign. At the bottom, a white silhouette of the Taipei skyline, including a prominent pagoda, is visible. The text is arranged as follows: the logo 'APCNP' in large, colorful, brush-stroke letters with '2025' above it; the full conference name to the right; a central theme statement in italics; the location and dates in large, bold letters at the bottom right; and the venue name in a dark blue bar at the very bottom. A vertical website URL is on the right edge.
